# Cordon Galaxia Series

## Introducing the Future of Medical Radiation Safety Apparel: **Cordon Galaxia Series**

- We are thrilled to announce the launch of our revolutionary **Cordon Galaxia Series** utilizing the latest innovation in super lightweight technology. Designed specifically for medical professionals, our super lightweight aprons prioritize your comfort and safety without compromising on protection.

- Traditionally, medical practitioners have relied on lead aprons to shield themselves from harmful radiation exposure during various procedures. While effective in providing protection, traditional lead aprons have been notorious for their weight and discomfort, often leading to fatigue and strain on the wearer.

**Cordon Galaxia Series** is an embodiment of optimal design, carefully considering the needs and demands of medical professionals. They are expertly crafted to provide a precise fit, enabling ease of movement and flexibility during critical medical procedures. Gone are the days of uncomfortable, bulky aprons hindering your ability to perform with precision and efficiency.

The utilization of lead-free materials not only ensures improved wearer comfort but also addresses the environmental concerns associated with conventional lead-based aprons. As we strive towards a sustainable future, it is our commitment to reduce the harmful impact on our planet without compromising on safety.

- Recognizing the need for a better alternative, our team of researchers and engineers have developed a cutting-edge lead-free apron that outperforms its lead-based counterpart in every aspect. Through the application of innovative materials and state-of-the-art manufacturing techniques, we have successfully developed a solution that guarantees maximum protection while remaining remarkably lightweight.

## Key Features: Cordon Galaxia Series

- ✓ Lead-Free
- ✓ Rare Earth Metal-New Technology
- ✓ Super Lightweight
- ✓ Superior protection at all energy levels
- ✓ Flexible & Crack Free
- ✓ Durable
- ✓ Ultimate Comfort and Safety
- ✓ BARC Certified
- ✓ ISO Certified
- ✓ CE & EU Certified
- ✓ Make in India
- ✓ Non-hazardous Disposal
- ✓ Designer Fabric with PU Coating
- ✓ Variety of Styles & Sizes
- ✓ Customization available
- ✓ Fastest Delivery
- ✓ 3 years Warranty

## Cordon Galaxia Series Products:

Frontal Apron

Product Code:

3204SL-X Lead Equivalency: Front 0.50mmPb  
3204SL-Y Lead Equivalency: Front 0.35mmPb  
3204SL-Z Lead Equivalency: Front 0.25mmPb

Dental Apron

Product Code:

3207SL-X Lead Equivalency: Front 0.50mmPb  
3207SL-Y Lead Equivalency: Front 0.35mmPb  
3207SL-Z Lead Equivalency: Front 0.25mmPb

Urology Apron

Product Code:

3208SL-X Lead Equivalency: Front 0.50mmPb  
3208SL-Y Lead Equivalency: Front 0.35mmPb  
3208SL-Z Lead Equivalency: Front 0.25mmPb

### Full Overlap Skirt Vest/Apron

Product Code:

3209SL-X (Lead Equivalency: Front 0.50mmPb and Back-0.25mmPb)  
3209SL-Y (Lead Equivalency: Front 0.35mmPb and Back-0.25mmPb)  
3209SL-Z (Lead Equivalency: Front 0.25mmPb and Back-0.25mmPb)

### Regular Overlap Skirt/Vest Apron

Product Code:

3210SL-X (Lead Equivalency: Front 0.50mmPb and Back-0.25mmPb)  
3210SL-Y (Lead Equivalency: Front 0.35mmPb and Back-0.25mmPb)  
3210SL-Z (Lead Equivalency: Front 0.25mmPb and Back-0.25mmPb)

### Full Overwrap Apron

Product Code:

3211SL-X (Lead Equivalency: Front 0.50mmPb and Back-0.25mmPb)  
3211SL-Y (Lead Equivalency: Front 0.35mmPb and Back-0.25mmPb)  
3211SL-Z (Lead Equivalency: Front 0.25mmPb and Back-0.25mmPb)

### Regular Overwrap Apron

Product Code:

3212SL-X (Lead Equivalency: Front 0.50mmPb and Back-0.25mmPb)  
3212SL-Y (Lead Equivalency: Front 0.35mmPb and Back-0.25mmPb)  
3212SL-Z (Lead Equivalency: Front 0.25mmPb and Back-0.25mmPb)

### Thyroid Collar

Product Code:

3213SL-X Lead Equivalency: Front 0.50mmPb  
3213SL-Y Lead Equivalency: Front 0.35mmPb  
3213SL-Z Lead Equivalency: Front 0.25mmPb

### Radcap

Product Code:

3214SL-X Lead Equivalency: Front 0.50mmPb  
3213SL-Y Lead Equivalency: Front 0.35mmPb  
3213SL-Z Lead Equivalency: Front 0.25mmPb

### Leg Protector

Product Code:

3215SL Lead Equivalency: Front 0.50mmPb

### Arm Shield

Product Code:

3216SL Lead Equivalency: Front 0.50mmPb

### Gonad Apron

Product Code:

3215SL Lead Equivalency: Front 0.50mmPb

### Oval Gonad

Product Code:

3220SL Lead Equivalency: Front 0.50mmPb

TAKING CARE OF YOUR APRON

**DO'S** Clean most dirt and stains (blood, bodily fluids, barium contrast media) using designated apron cleaning solutions or mild household soaps in diluted form. To apply cleaning fluid, please use a cloth or wipe and use room temperature water.

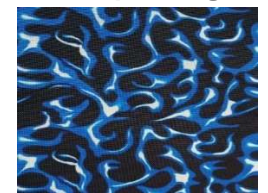

**DON'TS** We DO NOT recommend machine wash or dry your apron. Do not use hot or warm water, iron or autoclave.

**STORAGE**  
When not in use, garments should be placed on a hanger or stored properly. Avoid contact with sharp objects, as these may damage the garment's protective core material. For transportation, garments should be carefully rolled up, not folded, and placed into a box or bag.
